PRAYER OF VICTORY

Dear Abba Father, I lift Your Holy name up in the name of Jesus Christ my Lord. I praise You that Satan is a defeated enemy. I take great joy in the fact that Jesus accomplished Satan's defeat by giving up His life on the cross. I appropriate Jesus' death, burial, resurrection, and ascension in my daily living. I look forward to the day that Satan is bound to the bottomless pit for eternity. I rejoice that You, the King of kings, Lord of lords, give me perfect unity and victory over the enemy today.

I choose to enter into my victory and claim my place as being more than a conqueror through Christ who loves me. I refuse to admit to ongoing defeat by Satan in any area of my life. He cannot and will not rule over me, my family, or any of my loved ones. I affirm that Your grace and mercy rules all areas of my life through my union and victory in Christ. Please give me the strength and grace to affirm Your Truths in times of temptation. I bless and thank You for these daily battles and that You seek to accomplish Your divine will in my life. I accept the battlefield You have placed me in today and rejoice in Your divine purpose of it. I reject all of the satanic purposes the enemy has hidden behind his attacks. Through the victory of my Warrior and Savior, I stand resolute and strong upon the certainty of my victory. In confidence, I commit to come before Your throne boldly each day. All this I do in the name and authority of the Lord Jesus Christ. Amen.

Key Truth: The power of prayer that accomplishes the work is what ties the "package" together. We need to be praying with petitions in the Spirit, and with this in mind, being on guard and alert with all perseverance and petition for all the fellow Christian brothers. We also should be asking God to give us words to make known with boldness the mystery of the gospel. We are ambassadors proclaiming doctrines of God that are extremely offensive to the world (Ephesians 6:18-20). God not only has given us the privilege to pray but the power to pray. When we draw near the throne of grace boldly with all confidence, we will receive mercy and find grace to help us in times of need (Hebrews 4:16). Satan hates prayer because he knows that it is in prayer that our union, the work of the Holy Spirit, and our armor is all appropriated.
